

Discover Portencross Castle

Mapping castles task

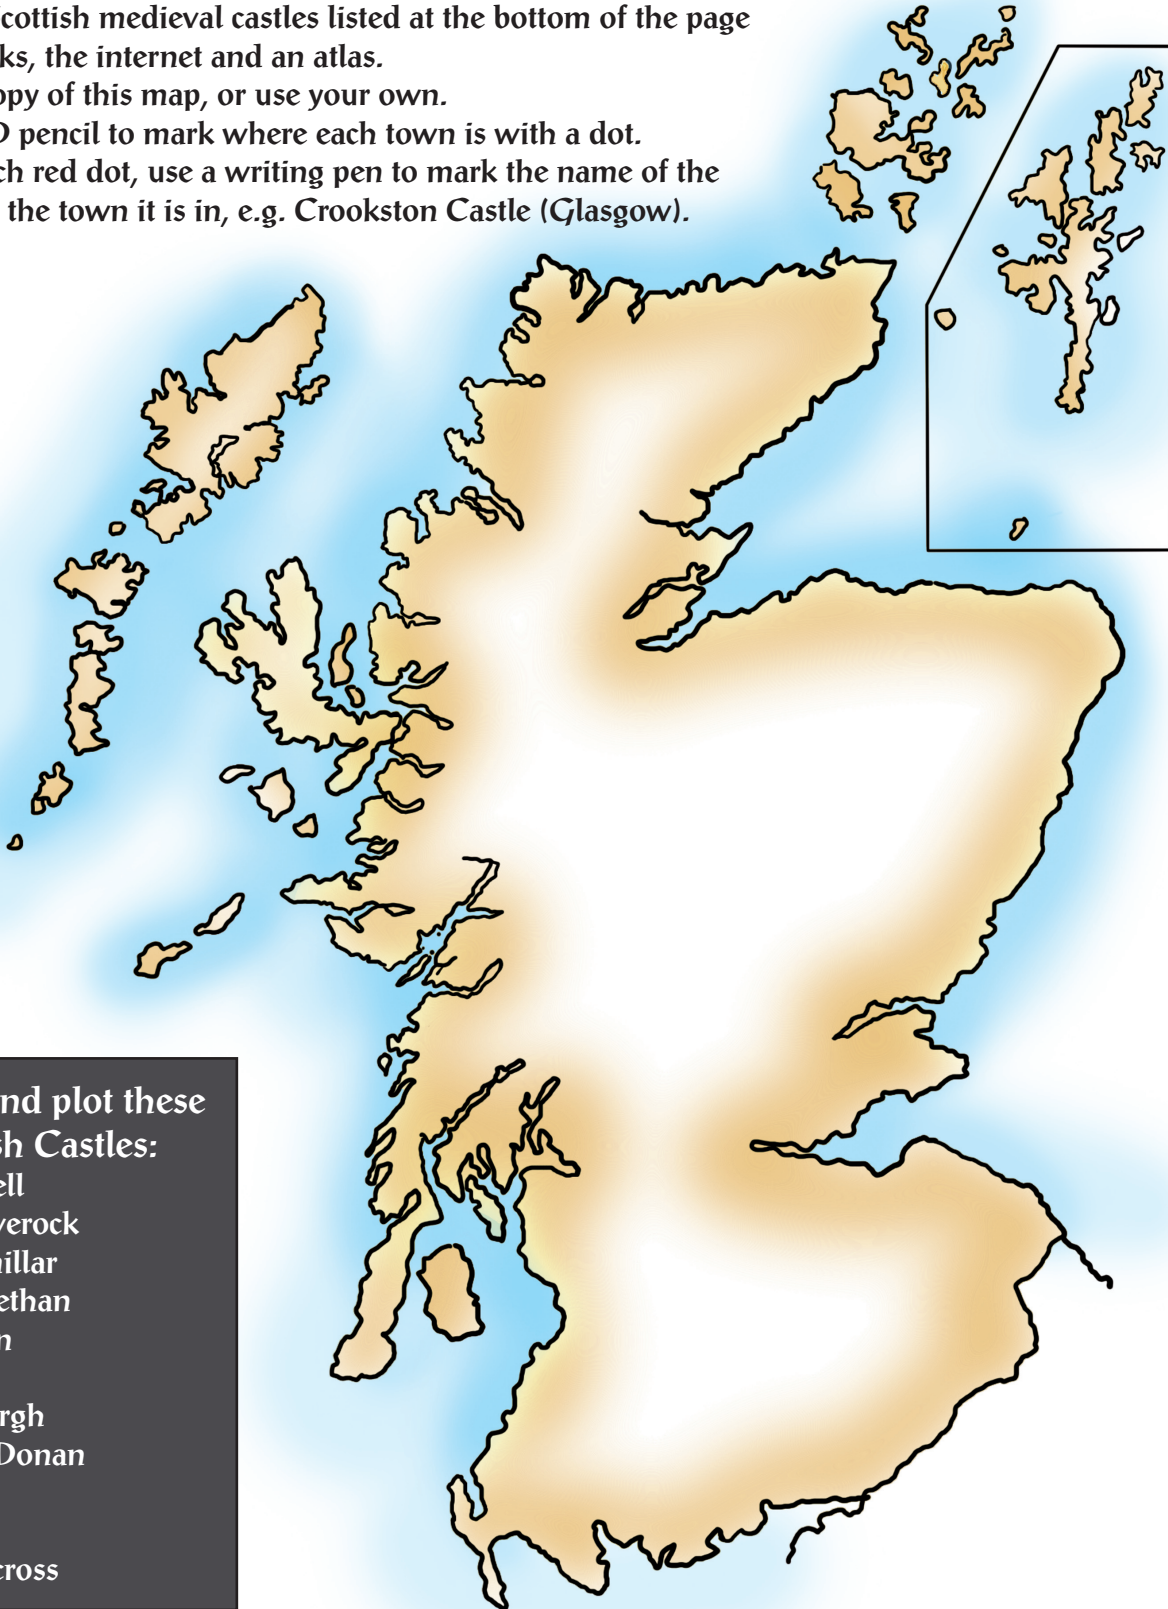

Learning outcomes: I am learning to locate famous Scottish Castles and plot them on a map.

Find the Scottish medieval castles listed at the bottom of the page using books, the internet and an atlas.

Make a copy of this map, or use your own.

Use a RED pencil to mark where each town is with a dot.

Beside each red dot, use a writing pen to mark the name of the castle and the town it is in, e.g. Crookston Castle (Glasgow).

Find and plot these
